OUR COMPANY

1. Company Statement

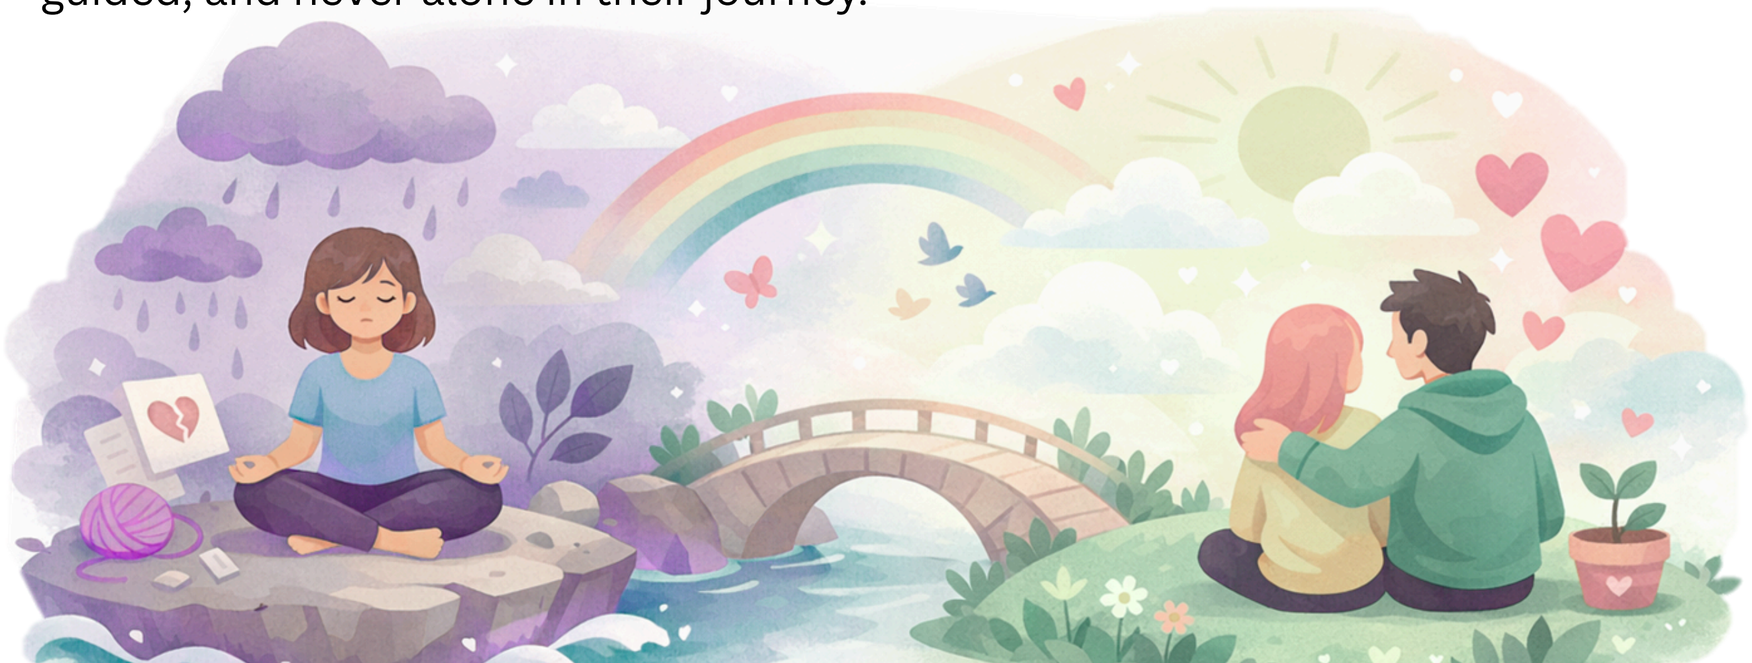

Cope & Hope is a student-driven mental-health initiative dedicated to making emotional wellbeing accessible, reliable, and stigma-free.

Through a professionally reviewed digital platform, we provide users with trusted information, practical coping tools, and a safe, anonymous space to better understand and manage their mental health.

2. Brand Purpose

Our purpose is to empower individuals to cope with life’s challenges while inspiring hope for growth, healing, and emotional resilience.

We exist to create a calm, supportive environment where users feel understood, guided, and never alone in their journey.

VISION AND MISSION STATEMENT

1. Vision Statement

Our company's vision is to become South Africa`s most trusted mental-health companion by offering free, holistic, and researched-aligned tools that support emotional growth, awareness, and empowers individuals to understand and manage their mental wellbeing.

2. Mission Statement

We strive to provide accessible, professionally reviewed mental-health support that empowers teens and adults to understand, manage, and improve their well-being in a calm and anonymous digital space.

OUR VALUES

1. Growth & Empowerment

We provide tools that help users build self-awareness, resilience, and healthy habits. Our goal is to empower individuals to understand and manage their wellbeing confidently.

2. Reliability

Every tool, explanation, and feature is grounded in research and professional review, ensuring users can trust the information they receive.

3. Accessibility

We believe mental-health support should be available to everyone, regardless of income, background, or location. Our app is free, anonymous, and designed to reduce barriers such as cost, stigma, and unreliable information.

4. Emotional Safety

Every design choice — from colours to wording — prioritises calmness, comfort, and non-judgment. Users must feel safe, supported, and respected at all times.

5. Professional Integrity

All information is reviewed by mental-health professionals to ensure accuracy, reliability, and ethical responsibility. We commit to avoiding misinformation, harmful advice, or toxic positivity.

6. Compassion

We approach every user with empathy, warmth, and understanding. Our tone, visuals, and tools reflect genuine care for emotional wellbeing.

OUR LOGO

The circular tree (Green + Pink leaves)

- The tree represents growth, renwal, and continuous healing
- The circular shape forms a protective enclosure, symbolising emotional safety and wholeness
- The branches of the tree spread outward, showing expansion, progress, and the idea that healing is not linear but it grows in many directions or ways

Pink leaves

- Pink represent compassiom, warmth, and gentleness
- The leaves show that growth is nurtured through self-kindness and the support from others

The meditating figure (Pink)

- The seated figure represents inner peace, mindfulness, and self-reflection
- The posture of the figure suggests grounding and emotional balance which is the core of mental health

The supporting hand (Green)

- The hand represents guidance, support, and care
- The hand holds the figure and the tree, symbolising that healing is supported and that you don`t have to do it alone
- Green shows growth, balance, and stability, reinforcing the idea of a strong foundation

COLOUR PALETTE

PRIMARY COLOURS:

Baby Blue
Hex: #89CFF0
RGB: RGB(137, 207, 240)
CMYK: 42.9%, 13.8%, 0.0%, 5.9%

Classic Rose Pink
Hex: #F8C8DC
RGB: RGB(248, 200, 220)
CMYK: 0.0% , 19.4% , 11.3% , 2.7%

Soft Mint Green
Hex: #C8E6D0
RGB: RGB(200, 230, 208)
CMYK: 13% , 0% , 9.6% , 9.8%

Meaning & Use

The Cope & Hope primary colour palette consists of three soft pastel tones that work together to create a calm, supportive, and emotionally safe environment.

- **Baby Blue** provides calmness, clarity, and emotional stability
- **Classic Rose Pink** adds warmth, compassion, and comfort
- **Soft Mint Green** represents growth, healing, and balance

Why This Works

These colours share a low-saturation, pastel quality which:

- Reduces visual stress and avoids overwhelming users
- Creates a soothing and welcoming user experience
- Supports emotional wellbeing through gentle visual design
- Balances calmness, warmth, and growth in one system

COLOUR PALETTE

SECONDARY COLOURS:

Black
HEX:#000000
RGB:(0, 0, 0)
CMYK:0.0%, 0.0%, 0.0%, 100.0%

White
HEX:#FFFFFF
RGB:(255, 255, 255)
CMYK:0.0%, 0.0%, 0.0%, 0.0%

Meaning & Use

The Cope & Hope secondary colours , black and white, are timeless and versatile choices that add depth and contrast to our brand .

- **Black** represent sophistication, elegance, and professionalism, also conveys power, strength, and authority.
- **White** symbolizes cleanliness, simplicity, and minimalsm, also evokes feelings of freshness and neutrality.

Why This Works

These colours, black and white , have a high-contrast achromatic quality which:

- They are high contrast and reduces visual stress.
- They are clean and professional.
- They are straightforward.
- They balance simplicity and emphasis .

PRIMARY FONT

Poppins

Poppins is our primary typeface. Chosen for its simple and clear design providing an easy and calm feel.
Because of its Sans serif design it makes it easy to read in all device sizes, giving the app a frendly and non intimidating feel.

It brings clarity in moments of mental noise helping the app feel like a safe and supportive space.
